## IN THE WAKE OF THE MAKASSANS

From the 16th century, Makassan trepangers began to venture from their homeland in South Sulawesi. Travelling through the Flores and Savu seas, they arrived at the shores of the Kimberley and Arnhem Land. On their journeys, Makassans encountered the peoples of northern Australia and left an impact on the cultures that survive to this day. We invite you to embark on your own journey through the straits of the East Indies to Makassar on this 14-night voyage aboard Coral Geographer. Explore lesser-visited islands home to traditional seafaring traditions and rich cultural practices including at Alor and Torajaland. At Tana Beru, witness ancient traditional Phinisi boat building and visit one of the last traditional subsistence whaling villages at Lamalera. From encountering Komodo Dragons on a walking tour with local rangers to exploring the colourful underwater realm of Takabonarate Marine Park, these voyages are a feast for the senses.

Market, the Museum of 1000 Moko and a traditional village, where you will be warmly welcomed. Witness the ceremonial Lego dance in which ladies dressed in handwoven textiles and bronze bangles form a tightly-knit circle and dance rhythmically to gongs and Moko drums.

### LAMALERA VILLAGE

Lamalera is one of the last traditional whaling villages, where an ancient hunting tradition continues to provide for the subsistence lifestyle of this rarely-visited village. The villagers will welcome you and share their way of life, which follows ancient beliefs and uses traditional tools and methods. Observe hunting and Ikat weaving demonstrations, with opportunities to purchase the exquisite hand-woven cloth directly from the weavers.

### KELIMUTU CRATER LAKES

From the coastal town of Ende, travel a beautiful road up to Kelimutu. On the way, stop at an orphanage, where you will meet the nuns and orphans and share refreshments. Arrive at the spectacular tricoloured Crater Lakes, where we may throw stones into the lakes for good luck. Later, enjoy lunch at Kelimutu Eco Lodge accompanied by the traditional music of Flores.

### PADAR ISLAND

A climb to the peak of Padar Island offers a chance to stretch your legs and be rewarded with a mesmerizing panoramic view over the island's rugged peaks, beaches and vast blue sea. Alternatively, explore the island up close by Xplorer cruise.

### KOMODO ISLAND & PINK BEACH

Take a walk with local rangers to spot the Komodo Dragon and visit a local village. You will learn of the legends of the Komodo Dragons and why villagers treat them with kindness. Later, enjoy a stroll along the dusky pink sands of Pink Beach and swim or snorkel in the clear water.

### TAKABONARATE MARINE PARK

Be welcomed at Tinabo Island with a dance performance before a guided tour through the village. Enjoy music and craft demonstrations and insights into the local cottage industries of coconut oil, fishing nets and boat building. At Tinabo Besar, visitors are encouraged to help with conservation programs of tree planting or coral transplanting under the guidance of National Park staff, before snorkelling in the pristine waters.

### SOGORI

The small island of Sogori is home to the Bajau and Bugis people. The surrounding white sandy beaches as well as several shipwrecks make it appealing for beach walking, swimming, snorkelling or scuba diving.

### TORAJALAND

An overland journey takes us into the highlands of Sulawesi to the remarkable Tana Toraja, where you will witness stunning limestone mountains and the ancient culture and traditions of the Torajan people. Visit the Tongkonan houses at Marante, the stone graves with Tau-tau effigies at Lemo and the hanging burial sites of Bori Parinding. At a Torajan market, see where buffalo and pigs are purchased for funerals, and explore Kete Kesu, a 400-year-old village high in the mountains. Stay overnight and enjoy local music and dancing.
