ITINERARY

Days 0 - 1 Pre Cruise & Ushuaia

Charter flights to the port of embarkation/ disembarkation (Longyearbyen, Ushuaia, Kangerlussuaq, Nuuk, Honiara, Jayapura and Sorong)

Group return transfers from airport to cruise port and to the hotel (where included)

One night pre-cruise accommodation with breakfast in a 4/5-star hotel (exemptions apply)

Nestled in the foothills of the snow-capped Martial Range,

Ushuaia's colourful streets and mismatched buildings cascade from the imposing mountains before coming to an abrupt halt at the shores of the Beagle Channel. As one of the world's southernmost cities, Ushuaia carries its 'end of the world' reputation well. The moody weather and dramatic surroundings certainly help. Board your boutique ship before departing for your journey through one of the most captivating wilderness regions of the world.

Days 2-3 Day at sea

Sea days are rarely dull. Take the time to sit back and let the world go by. The ship's observation decks provide stunning views of the passing ocean. Get an expert's view in one of our on-board lectures or perhaps perfect your photography skills with invaluable advice from our onboard professional photographers.

Days 4-6 Antarctic Peninsula

Among captivating glaciers, majestic icebergs and snowy islands, the Antarctic Peninsula is where most visitors to the White Continent live their Antarctica dream. It's the most accessible part, with scientific bases and incredible scenery, like the photogenic Lemaire Channel. Shore excursions might include Mikkelsen Harbour, where among gentoo penguins, snowy sheathbills and skuas, Antarctic Weddell seals haul out.

Day 9 Peter Island, Belinghausen Sea

The magnitude of translucent bergs silently floating on crystal-clear seas is often broken up by the tail of a fluking whale and leopard seals resting on an ice floe. Rarely visited by ships, the ice-covered volcanic Peter I island in Bellingshausen Sea is claimed by Norway and is home to elephant seals, cape pigeons and southern fulmars. Two of the largest islands in the Antarctic - Alexander and Thurston Islands - lie past Peter I Island.

Day 14 Day at sea

Spend your day at sea enjoying your boutique 5-star ship. Treat yourself to a spa day, attend an expert-led onboard lecture or

enjoy the ocean views from the deck or the comfort of our Observation Lounge.

Day 15 Bay of Whales

Day 16 Crossing the International Date Line

Experience time travel first-hand as you cross the international date line. This imaginary line in the Pacific Ocean joins the South Pole to the North Pole and roughly follows 180 degrees longitude with a deviation east to the 150-degree meridian to include the Kiribati and Line Islands. Sailors celebrate the passing with the Ceremony of the Domain of the Golden Dragon. On our transpacific journey, you will lose a day as you cross the line.

Days 17-24 Ross Sea, Antarctica

One of the last untouched salt-water wilderness regions, the Ross Sea region is home to an abundance of wildlife - southern right whales, orca, emperor penguins, parakeets and elephant seals, to name a few. Antarctica's largest Adelie penguin colony is located on the shores of the Ross Sea. This faraway place also exudes polar history - many of the expedition huts of past explorers are still perfectly preserved.

Days 25-26 Balleny Islands

The Balleny Islands, 2,000 km south of New Zealand near Antarctica, remain mostly untouched since their discovery in 1839. The Ross Sea surrounding them is a biologically rich area in the Southern Ocean, still under research. These dramatic coastal landscapes are home to humpback, fin and minke whales, along with crabeater, Weddell, elephant and leopard seals. Some islands host significant Adelie and chinstrap penguin colonies.

Days 27-29 Day at sea

Spend your day at sea enjoying the facilities available onboard. Head to the sauna, get in a workout in the state-of-the-art gym or relax in the hot tub while taking in incredible views along the way. If you prefer to learn a little more about your surroundings, listen to an informative talk or have a chat with one of our knowledgeable experts.

Days 30-32 Subantarctic Islands

Campbell Islands (Cruising Campbell Islands)

Auckland Island (Cruising Auckland Islands)

Snares Islands (Cruising Snares Islands)

Days 33-34 Dunedin

Your luxury expedition cruise sadly comes to an end in Dunedin, on the South Island, the principal city of the Otago region. Set in a pretty bay that serves as a port and surrounded by bush-covered hills, the town has quirky historic appeal. One of the best-preserved Victorian and Edwardian cities in the Southern Hemisphere, Dunedin is known as the Edinburgh of New Zealand, and it's proud of its Celtic connections. Small and eminently walkable, see elaborate civic buildings, New Zealand's only castles, funky alleyways filled with street art, and picturesque parks. The Toitu Otago Early Settlers Museum and Otago Museum come highly recommended, as well as a visit to the Dunedin Chinese Garden.

The destination will always be in view. Your Wellbeing The safety & happiness of the guests is paramount to the 120-strong crew on board as well as the passionate expedition team who'll be serving up thrilling shore excursions and lasting memories. Cabin Types The 76 cabins including 6 suites have all the amenities you will need to feel comfortable including dressing gowns, hairdryers, personal safes and minibars. The stylish cabins all have desks, a dressing area and comfy seating. En suite bathrooms all feature glass-enclosed rain showers. Wheelchair access Guests who use wheelchairs must bring their own, as we have only a small number of wheelchairs stored onboard for emergencies. To ensure ease of movement on the ship, wheelchairs and mobility aids must be no wider than 65cm. All mobility or medical equipment brought on board must be capable of being carried safely and must be declared before sailing. To ensure that all guests can safely evacuate during an emergency, guests requiring a wheelchair can only be accommodated in our ADA-accessible cabins. There is an Oceanview stateroom on Vega which is specifically designed to be completely ADA compliant and have a fully operable wheelchair-access wet unit. Vega has two lifts, serving every passenger deck apart from the Stargazing top deck, which is, therefore, more difficult to access, as are the Aft Marina and Swan's Nest forward observation platform. Also, we don't have special equipment to access the swimming pool, jacuzzi, or sauna. Otherwise, the ship is entirely at your disposal. Many of the expeditions ashore in remote places are by Zodiac. Boarding these boats and returning aboard can present challenges for wheelchair users, as can navigating uneven terrain. These challenges are by no means always insurmountable, though, and our highly experienced crew is trained to provide reliable advice and assistance. They will make every effort to ensure wheelchair-using guests enjoy a memorable experience at each destination. Our general guidance, however, is to recommend wheelchair users travel with a companion for their ease and enjoyment. If you prefer to remain aboard, our panoramic interiors and ample open decks ensure an immersive, intimate experience of your inspiring

surroundings.
