

FIRE AND ICE CRUISE: AN 8-DAY SAIL AROUND ICELAND

Sail around Iceland on an 8-day expedition that reveals its famed natural wonders. Hike, bike, or take 4X4 vehicles to explore remote waterfalls, secluded valleys, dramatic fjords, black-sand beaches, and forest-filled canyons. Spot an abundance of seabirds from Atlantic puffins to Arctic terns and cruise into an otherworldly glacier lagoon. Along the way, meet locals who will share Icelandic traditions as well as a glimpse into daily life, both past and present, on this subarctic island.

ITINERARY

DAY 1 Reykjavík, Iceland / Embark Ship

Arrive in Reykjavík, the world's northernmost capital, which lies just below the Arctic Circle. Transfer from the airport and spend the day exploring the sights, sounds, and tastes of this bustling city before embarking the ship in the afternoon.

Meals Included: Lunch, Dinner

DAY 2 Westfjords

The Small Cruise Ship Collection

www.small-cruise-ships.com

small-cruise-ships.com

info@small-cruise-ships.com

Explore the beautiful and peaceful Westfjords region of Iceland. Hike or kayak along the base of a fjord to discover a towering waterfall. Enter Ísafjarðardjup, known for its wealth of animal life, including whales, seals, and countless nesting seabirds. Land at Vigur Island, a fragile wildlife sanctuary, where the landowners continue the traditional eiderdown collection and cleaning process, and are active stewards of the colonies of puffins and black guillemots who call the island home.*

*Visit subject to nesting seabird season and not available on all dates.

Meals Included: Breakfast, Lunch, Dinner

DAY 3 Siglufjörður

Siglufjörður was the center of Iceland's once-thriving herring industry. We stop by the Herring Museum for a salting demonstration and a tasting. Enjoy the surroundings of Iceland's northernmost mainland settlement by joining the local forestry association, one of over 50 associations in Iceland, for an afternoon of conservation in their local forest. Learn what it takes to maintain and develop a forest on this volcanic island.

Meals Included: Breakfast, Lunch, Dinner

DAY 4 Húsavík

Húsavík, the site of the oldest settlement in Iceland, is our gateway to the geological exploration of northern Iceland. Depart for a full day overland visiting one of the largest waterfalls in Iceland, Goðafoss, as well as the Lake Mývatn area,

the most geologically active area in Iceland. Alternatively, enjoy an adventurous journey hiking through Ásbyrgi Canyon, said to be formed by the hoof of Odin's eight-legged horse, or stay along the coast and choose a slower pace for the day with forest bathing, bird watching, and a soak in the Geo Sea bath.

Meals Included: Breakfast, Lunch, Dinner

DAY 5 Borgarfjarðarhöfn

Located on the eastern shore of Iceland, Bakkagerði is well known for its welcoming local puffin colony. Walk across boardwalks to witness these colorful symbols of Icelandic wildlife. Once you've captured your best photo of the famous auk species, take an invigorating hike up to the best panoramic view of the fjord or challenge yourself to a backcountry mountain bike journey to remote overlooks and stunning vistas.

Meals Included: Breakfast, Lunch, Dinner

DAY 6 Djúpivogur

Arrive in the town of Djúpivogur and set out by 4x4 vehicle to visit some of the secluded valleys and remote waterfalls in the surrounding countryside. Alternatively, drive down the coast to explore the foot of the vast Vatnajökull icecap and the deep blue icebergs of the large ice lagoon of Jokulsarlon. Or, join a hike to the black-sand beaches near the town center.

Meals Included: Breakfast, Lunch, Dinner

DAY 7 Heimaey and Surtsey, Westman Islands

The Westman Islands were formed by undersea volcanoes between 5,000 and 10,000 years ago and are among the youngest of the world's archipelagos. In 1963, the world witnessed on film the birth of its newest island, Surtsey--a UNESCO World Heritage site--which we see as we cruise past the coast. In 1973, Heimaey was threatened by lava flows that nearly closed off its harbor. We visit the crater, where the earth is still hot, for amazing views of areas that had been engulfed by lava.

Meals Included: Breakfast, Lunch, Dinner

[DAY 8 Reykjavík / Disembark](#)

Today, disembark in Reykjavik and transfer to the airport for flights home.

Meals Included: Breakfast, Lunch, Dinner

[Please note:](#)

Itineraries are subject to change.

YOUR SHIP: NATIONAL GEOGRAPHIC EXPLORER

YOUR SHIP:	National Geographic Explorer
VESSEL TYPE:	Luxury Expedition
LENGTH:	108 meters
PASSENGER CAPACITY:	148 (single & twin cabins)
BUILT/REFURBISHED:	1982 / 2008

National Geographic Explorer is a state-of-the-art expedition ship. It is a fully stabilized, ice-class vessel, enabling it to navigate polar passages while providing exceptional comfort. It carries kayaks and a fleet of Zodiac landing craft. An Undersea Specialist operates a remotely operated vehicle (ROV) and sophisticated video equipment, extending access to the underwater world. Public areas : Bistro Bar; Chart Room; Restaurant; Global Gallery; Library, Lounge with full service bar and state-of-the-art facilities for films, slideshows and presentations; Mud Room with lockers for expedition gear, and Observation Lounge. Our "Open Bridge" provides guests an opportunity to meet our Officers and Captain and learn about navigation. Meals : Served in single seatings with unassigned tables for an informal atmosphere and easy mingling. Menu is international with local flair. Cabins : All cabins face outside with windows or portholes, private facilities and climate controls. Expedition Equipment : Zodiac landing craft, kayaks, Remotely Operated Vehicle (ROV), hydrophone, SplashCam, underwater video camera, Crow's Nest remote controlled camera, video microscope, snorkeling gear. Special Features : A full-time doctor, Undersea Specialist, LEX Photo Specialist and Video

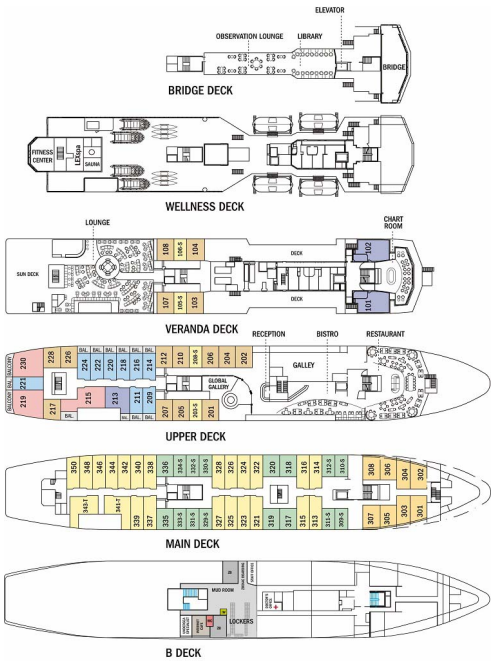

Chronicler, Internet Cafe and laundry. Wellness : The vessel is staffed by two Wellness Specialists and features a glass enclosed Fitness Center, outdoor stretching area, two LEXspa treatment rooms

and Sauna.
