An iconic historic monument, the **Old Church Ruins** will plunge you into an atmosphere looking back to the past. This place is steeped in history and stands as a reminder of 1871's volcanic eruptions, which have since made way for abundant vegetation. With its splendid views over **coconut plantations** and the ocean, the island relies on farming and fishing, thanks to its **rich marine life**. Accessible by boat from Camiguin, White Island is ideal for relaxing, thanks to its characteristic **white sandbar,** which is 0.4 miles long.

Day 6 - Capul Island

Capul, an island municipality in the **province of Northern Samar** , is a true hidden paradise whose **coconut palms** are visible from the sea as you arrive. Located off the north-west coast of the province, this gem offers a perfect blend of

natural beauty and rich **cultural heritage**. The island stands out for its historical significance, its charming simplicity and its **unspoilt coastal landscapes**. Here you will find Saint Ignatius of Loyola Parish Church, an emblematic site dating back to the 1600s, during the Spanish colonial period. Just ten minutes away by habal-habal, a traditional mode of transport, the Capul lighthouse, perched atop a cliff, offers breathtaking **panoramic views** over the San Bernardino Strait. Designated a **provincial historical monument** , it guides ships through the strait by emitting a white flash every seven seconds. These landmarks and the friendliness of the locals, who live off fishing and coconut farming, make this a destination well worth exploring.

Day 7 - Sibuyan Island

Sibuyan is the second largest island in the Romblon archipelago and has always been isolated from the other islands in the **Philippines** , a particularity that is due to its geological history. The island remains very much untouched and wild. It boasts an **exceptional ecosystem** and is home to several endemic species, which is why it is sometimes dubbed "the Galapagos of Asia". Dominated by **Mount Guiting-Guiting** , which rises to an altitude of more than 2,000 metres or 6,750 feet, it will provide a perfect insight into the natural beauty and culture diversity of these parts. Right near Sibuyan, you could get the chance to swim at the beautiful white-sand beaches on the minuscule **Cresta de Gallo Island** , surrounded by crystal-clear waters.

Day 8 - Calapan

Day 9 - Manila

On first sight, the Philippines' capital shows its highly Americanised Asian megalopolis side, with ultramodern skyscrapers set all along the waterfront. But when you stroll through the cobbled streets of the **Intramuros** district, you'll discover a different side of **Manila** , one that's full of old-world charm. An enchanted pause in the middle of urban bustle, Rizal Park's 60 hectares of magnificent green parkland is
