Day 2: MAHATES (PALENQUE) - CALAMAR

In the morning, experience the town of Palenque, the first "free town" in the Americas. Founded by those who fled a life of slavery during colonial times, the spirit and appearance of this town has been preserved through time. In 1713, the Spanish crown issued a Royal Decree that officially freed the people of Palenque from slavery. Immerse yourself in the town's deeply rooted culture and traditions, which are so distinct that UNESCO declared Palenque to be a Masterpiece of the Oral and Intangible Heritage of Humanity. An important piece of their heritage is the music and rhythmic style that was developed in this city, which you will enjoy during a special performance by local musicians. Later in the day, visit Calamar. Located at the entrance of the Canal del Dique, this town was first settled in 1840. Witness historic sites such as the Iglesia de la Inmaculada Concepcion as you tour this beautiful destination by paola (a bicycle taxi for two). (B, L, D)

Day 3: MAGANGUÉ REGION - MOMPOX

Experience the vibrant sounds and sights of Colombian nature from one of our intimate excursion boats as you immerse yourself in the wild beauty of Boca de Tacaloe (the mouth of Tacaloe) - a striking natural wonder surrounded by rich landscapes, local legend and untamed energy in the Magangué region. Then, enjoy scenic cruising en route to the island town of Mompox. There you will be welcomed with open

arms and lively music as local musicians treat you to an exclusive jazz performance. (B, L, D)

Day 4: MOMPOX

A town frozen in time, Mompox embodies the appearance of what many villages looked like during colonial times. Founded in 1540, this remote village became an important Spanish trading post. Some Spaniards found Mompox to be a haven for keeping gold and other treasure protected from the pirates that pillaged coastal cities like Cartagena, and with this precious metal and the work of skilled artisans from Spain came beautifully crafted artifacts. Since then, the town has become famous for its incredible filigree jewelry, which you can learn more about during your tour of this town. While visiting the largest inland island in Latin America, journey through the beautiful wetlands, exploring the massive lake that is home to a variety of flora and fauna native to the region, with opportunities to birdwatch at sunrise, early morning and sunset. In either the morning or the afternoon, you can choose to take a stroll through this storied town on a guided tour beginning with a tuk-tuk ride from Plaza de San Francisco, visiting key landmarks. You may also visit a filigree workshop in either the morning or afternoon, witnessing the intricate jewelry artistry that defines Mompox's renowned craftsmanship. With stunning colonial churches, breathtaking nature surrounding the town, and delicious local delights such as capa cheese and butifarra, Mompox is sure to be a highlight of your journey along the magnificent Magdalena River.
