After a leisurely breakfast, we start sailing to Jaz Bay - home to one of Montenegro's finest and longest beaches - for more aquatic fun and a laidback lunch onboard. We then proceed to Sveti Stefan island with its atmospheric 15th-century fortified village (now part of a luxury resort), where we anchor for the night, with dinner served onboard.

DAY 4 - DISCOVER THE BELOVED BAYS OF PETROVAC AND MALJEVIK

Setting sail after breakfast, we pause to enjoy the waters of Lucice Bay - another quiet bay in front of Petrovac, popular with yachters - and also enjoy lunch anchored in this scenic spot. From here we head off to Maljevik Bay - famed for the discovery of ruins from an ancient city in its shallows - to dine onboard before spending a blissfully peaceful night on anchor.

DAY 5 - GET AWAY FROM IT ALL IN WILD VESLO BAY

After breakfast, we set sail to Veslo Bay with its romantic, rather wild beach for swimming, cliff- jumping and other watery fun and lunch far from the crowds. There is a cushioned seating area and a dining table on the back deck. There is a dining table in the main room, a fully equipped kitchen, bar, TV, mini library and seating areas. On the front deck, there is a cushioned seating area where you can admire the sunset enjoying a drink and a tiled sunbathing area with sunbathing cushions (one for each passenger). Cruises are perfectly planned to also allow plenty of time for relaxation and use of the onboard kayaks, paddleboard, fishing gear and snorkel equipment. Gulet Adatepe 4 is a motor sailor vessel.

This means that during your itinerary you will mostly cruise on engine and when the weather permits you will cruise opening the sails.
